ILSC Canada Policies

ADMISSIONS POLICY

ILSC has monthly session start dates. Students can also commence their studies on any Monday during most of the year.

Minimum age for general studies and most specialty programs is 16* at the commencement of studies.

**For ILSC's Youth program, students must be between 13–17 years old, and a different set of policies and procedures applies—please refer to the Youth Program application form to see the applicable youth program policies and student contract.*

CANCELLATION & REFUND POLICY

To receive a refund of any portion of tuition fees, you must give ILSC written notice that you intend to withdraw from the program in which you have enrolled. If your study permit or visa is denied, ILSC will retain the lesser of 25% of the total tuition fees due or \$200 and, if applicable, the \$220 accommodation registration fee. If you cancel in writing before your program starts, you will receive a refund of the following percentage of your tuition fees:

- Less than 7 days after your registration is submitted and at least 30 days before the program start date: the greater of either 75% of the total fees due or total fees minus \$400
- 30 days or more before the program start date: 75% of the total fees due
- Less than 30 days before the program start date: 60% of the total fees due

If you cancel in writing or are dismissed from ILSC after your program starts, you will be refunded the following percentage of your tuition fees:

- Less than 10% of program completed: 50% of total fees
- 10-30% of program completed: 30% of total fees
- More than 30% of program completed: 0% (no refund)

Change of schedules is considered the same as cancellation. i.e. for a schedule change of Full-Time Intensive (30 lessons/week) to Full-Time (24 lessons/week), you will have to cancel the whole program and re-apply for the full-time program.

Specialty programs are not transferrable to core programs. If you change your program from a specialty program to a core program, you have to cancel the specialty program and re-apply for the core program.

If you are eligible for a refund under the conditions above, you will receive the refund within 30 days of ILSC receiving written notice of cancellation or ILSC's notice to you of dismissal.

DISPUTE RESOLUTION POLICY

ILSC students can talk about difficulties with their teachers, counsellors/liasons and/or administration. If no satisfactory solution is found, students need to follow formal procedures including presenting the problem in writing to the school director, who will, in writing, address and resolve the dispute. In case such disputes are not resolved to the students' satisfaction, students have the right to appeal the decision in writing to Languages Canada.

GRADE AND ASSESSMENT APPEAL POLICY

In cases where a student wishes to appeal a teacher's assessment, the student can meet with a program director or designate. A review of the student's attendance and academic progress will be done. The final assessments and reports will be reviewed. In cases where there is reason to question the final result, the student may be asked to complete a writing prompt and/or interview. The outcome of the appeal will be explained to the student, and a record kept.

In cases where a student wishes to appeal his initial assessment, the student's placement results will be reviewed by a second academic staff and an explanation of the decision will be provided.

ATTENDANCE AND LATENESS POLICY

Students are expected to attend class regularly. They must attend 80% of their classes each session as part of the requirement to receive a credit for each course taken. If a student is absent for more than 20% of the overall study period, the official ILSC certificate will not be given.

All students are expected to be on time to classes.

Attendance, punctuality and participation are important parts of learning.

- Students who come to class every day learn more English.
- Students who come to class on time don't miss important parts of the lesson.
- Students who come to class on time join with the other students and the teacher in getting the class off to a good start.

Penalties will apply to those who arrive late:

- If a student arrives between 1 and 15 minutes late for class, 15 minutes will be deducted.
- If a student arrives later than 15 minutes after the class start time, the student may either be allowed to enter the class quietly or asked to return after the break. 90 minutes will be deducted.
- If a student leaves or arrives at the break, 90 minutes will be deducted.
- If a student develops a habit of being late or skipping classes, he/she may be referred for counselling.
- Students who arrive late are expected to catch up on what they missed. If a student requires additional information to catch up, he/she should request it from the teacher at an appropriate, non-intrusive time.

DISMISSAL POLICY

ILSC students must keep good attendance and attend at least 80% of their classes. They must speak only English (or English/French at ILSC-Montréal) when on school premises. If these expectations are not met, students will receive counselling. After appropriate warnings, students will be expelled.

Likewise, if a student's behavior is deemed inappropriate by the school's standards, the above procedures will be followed.

ASSESSMENTS AND CERTIFICATES

Students complete an assessment test on their first day at the school in order to ensure they are placed at the correct level.

Most students will complete one academic level within 8 weeks.

Every study session (4 weeks), teachers provide students with a Student Progress Report (SPR). Students must earn at least 70% on their Student Progress Report to move to the next level. The Student Progress report assesses student performance in class (speaking skills, grammar skills, etc.) and assessment results (tests, homework, quizzes, etc.).

Students will receive a certificate of completion at the end of their studies as long as they have met the attendance requirement. Students will also receive additional certificates for most specialty programs upon successful completion of program requirements.

PROGRAM DELIVERY

The ILSC Education Group Inc. (ILSC-Vancouver, ILSC-Toronto, and ILSC-Montréal) offers programs and courses that are primarily delivered through classroom instruction. Some programs include additional activity components that may take place outside of the classroom.

COLLECTION OF PERSONAL INFORMATION AND CONSENT (ILSC-TORONTO)

ILSC-Toronto is designated by the Ontario Ministry of Training, Colleges and Universities (the "Ministry") to host international students under Canada's new International Student Program.

As part of the designation and renewal processes under the International Student Program, the Ministry can conduct a site assessment at any time to verify the information in ILSC-Toronto's application with respect to its educational policies and procedures for all students. As part of any site assessment, the Ministry needs to review a representative sample of student records, such as student contracts, registration forms, records of enrollment, documents pertaining to academic assessment and progress, and other documents contained in the student file. This is to ensure that ILSC-Toronto has implemented educational policies and procedures for both its international and domestic students. As such, the Ministry may need to make copies of student records in order to complete the designation process, which requires student consent to access the personal information you have provided to the school.

ILSC-Toronto is also required to share enrollment information and reporting with Citizenship and Immigration Canada (CIC) as a condition of being a designated institution approved under the International Student Program.

By signing the student contract listed on page 2 of this application form;

- you give consent to the Ministry to collect your personal information from your school and use it for the purposes outlined above; and
- you consent to share your attendance information with the CIC for the purposes of the International Student Program.

The Ministry collects and uses this information under the authority of s. 38(2) of the Freedom of Information and Protection of Privacy Act and the Immigration and Refugee Protection Act (Canada) and its Regulations. Questions about the collection, use and disclosure of this information may be addressed to:
